Wet weather summary and other notes

Grow.

We do more with our client’s wool - all the way from bale to retail there is a direct network advantage.

- Auction, forward contracts, direct to mill
- Specialty programs
- Clip specific wool preparation advice
- Price risk management \$olutions
- Wool buying • Livestock • Property

Make.

Our client’s contribute to the manufacture of luxury wool knitwear and next to skin natural lifestyle clothing.

- State of the art ‘whole garment’ knitting machines
- 100% Australian owned and Australian made luxury knitwear
- Factory outlet and tours
- National and international distribution

Wear.

Bringing wool growers, wool processors and consumers together.

- merinoandco.com.au • MerinoSnug • Hedrena • Only Merino
- Our garments have a DNA - a specialty QR code enabled swing tag
- Consumers can meet the woolgrowers who contributed to the garment

We do more!

At Australian Wool Network our team can offer you more ways to maximise the returns for your wool business - all the way from bale to retail.
